

Instrumental Music Lessons - Term 1 & 2

Dear Parents

Instrumental Music Lessons will start from Monday 9th September for 10 weeks. Please find attached the timetable which will be placed on the Music Room window.

As yet I have not been given any individual pupil times from the music teachers, therefore pupils will be collected from their class to begin with and then given an individual time. As and when I receive the teachers timetables I will place this on the music room window. Please make sure your child checks their time, and is prompt when attending their lessons.

As you can appreciate music lessons are booked and paid well in advance with the Music Service. If you haven't yet paid for these lessons, please can I ask you pop onto Parentpay at your earliest convenience to make this payment to allow as to reconcile this account.

Any queries please do not hesitate to contact me.

Kind Regards

Sarah
