19th September 2017

Dear Parents,

Maths Workshop – Progression of Written Calculations
Thursday 5th October
6.30 pm – 7.45 pm

You are invited to come to a maths workshop for parents, on Thursday 5th October, in the school hall.

We are sometimes asked by parents for clarification about the methods that are used in school, to teach written calculations. At this workshop, we will be looking at the progression of written calculation methods in addition, subtraction, multiplication and division across Key Stage 2.

We hope that you are able to join us for this workshop. Please return the slip below to the school office, as soon as possible, to help with our planning of the evening.

Yours sincerely,

Nicola Wright
Mathematics leader

Child's name _____

Class _____

I would like to attend the maths workshop on Thursday 5th October.
