

# Care and Kindness

## Term 1

**High Down Junior School**

Believing | Achieving | Learning for life

Dear Parents,

In order to promote our 'care and kindness' value in school and to reinforce it in the community, we are asking children to complete a range of 'care and kindness' activities during Term 1. During this time, we are asking the children to do practical acts of kindness at school, home and in the community. Your child needs to choose at least three of the tasks in this leaflet. We are sure you will support us in encouraging your child to complete these tasks. Please could you sign this leaflet below to verify that your child has completed the school/home/community tasks and return it to school. Your child will then receive their 'Care and Kindness' badge as a reward.

**Thank you**
