

## **Wanting to make space and clear out some toys in readiness for Christmas; then we may have the answer for you...**

The PSA recently held a requests meeting, to discuss projects the school would like support with. One of these is resources for the playground and quiet area use.

We've had a little light bulb moment and thought that we may be able to purchase these second hand, therefore increasing what we can buy and giving un-used toys a second lease of life.

We are therefore putting out a wish list of items that we would like to buy off you, please note that they do have to be of good quality and in clean and tidy condition, due to the use that they will receive.

If you have any of the below items that you think may be suitable, please contact us at [highdowninfantpsa@gmail.com](mailto:highdowninfantpsa@gmail.com) detailing the items you have, a suggested price and if at all possible an image of two of them.

Thanks for your continued support,

The PSA
