Dear Parents,

Please find below a flyer for a national Road Safety competition promoting Road Safety week, organized by Brake - the road safety charity. We would love it if some amazing High Down artists showed off their talents by entering!

The competition aims to raise the children's awareness of road safety (particularly when on a bike, as this is the focus for this year). There are special personalized awards for the twelve prizewinners and it gives the school a chance of winning another road safety banner to join the ones already visible from Down Road.

Entries are open to children from 4 - 11 years of age. If your child wishes to enter, please print off the entry form for them to complete their design. **It is very important that a parent completes and signs the box giving permission, including permission for publicity.**

The school will submit all entries. To enable us to meet the official closing date, please return them to school by **Friday 5th October.**

Road Safety week takes place this year from 19th - 25th November.

We look forward to some eye-catching designs!
