

Christmas in Reception

Dear Parents/ Carers,

As you may know that, due to staying COVID secure, we have been informed by LSP that we cannot perform Christmas plays this year as we normally would have done. So, we have come up with an alternative!

Each class in Reception will have the opportunity to dress up as a character from the Christmas story and sing, Away in a Manger, which will be filmed and placed onto your child's learning diary. We will follow COVID guidelines on both singing and quarantining the costumes for the expected length to ensure they are 'germ free' before the next class uses them.

We will do all we can to make it as magical as it can be so that your child will begin to understand the Christmas story. In class we will also continue this learning, as we do with other festivals from around the world, like Diwali.

If you have a strong preference against your child taking part in this way please speak to your class teacher as soon as possible as we will start to measure the children up for the costumes in the next few weeks. Also, a reminder that you all signed and agreed to keep all learning on the learning diaries safe by not posting them on social media sites, please continue to do so with this activity.

Many thanks for your continued support throughout this challenging time.

The Reception Team
