Dear Parents,

Friday 14th June 2019

We're here to help you keep your child safe online

O2 and the NSPCC have joined forces on a mission to help all children and their families in the UK stay safe online. Together, they're offering useful tools, support and guidance to help parents and carers have frequent conversations with their children about their online lives.

Our free online safety workshop for parents and carers

We would like to invite all parents, carers or family members to a free **online safety workshop** in the High Down Junior School Hall at 2.10pm on Tuesday 2nd July. The content covered in the workshops is aimed at adults. Parents with children are advised to arrange childcare if possible.

The hour-long workshop will help parents, carers and other adults understand their child's online world, build confidence to have those important conversations that can help keep children safe online and help you know where to go for help and advice.

"After coming to this workshop today, I realise the importance of having conversations with my child rather than avoid the subject. I didn't know there were things I could do to make it better, I'm so glad I came to this workshop. I will definitely be calling the helpline or going into store to get some help, thank you." – Parent who attended the workshop

Don't miss out on this great opportunity. **Please complete the slip below and hand into the school office so we can gauge how many people will be attending.**

Until then, if you need any support or guidance about keeping children safe online, here are a few things you could do:

- Visit the [NSPCC](#) and [O2 NSPCC website pages](#),
- Call the free **O2 NSPCC Online Safety Helpline** on **0808 800 5002**
- Download the Net Aware app on the App Store or Google Play
- Pop into your local O2 store for online safety help from a [Guru](#) – you don't even have to be an O2 customer!
- Sign up to the [icebreaker email series](#).

Many thanks,
Rhodri Hopkins
Executive Deputy Headteacher
High Down Schools

FAO Mr Hopkins

I can confirm that I will be attending the NSPCC workshop on Tuesday 2nd July
