

Dear Parents

Now that your child is in Year 1 they will no longer be following the Early Years Foundation Stage Curriculum and therefore no longer have a learning diary to gather evidence on their learning and development. The ILD (Interactive Learning Diary) is only used to document Nursery and Reception children's learning and so therefore they will be archived at the start of this new academic year, ready for the new cohort of children.

Please can you make sure you have downloaded/ saved or printed your child's diary by the **end of September**. By the 1st of October I will then archive your child's diary, saving it in the school's secure network system meaning that you will no longer have access to it.

Thank you again for all of your support last year.

The Reception Team
