

Be our guest

Be our guest, be our guest

Put our service to the test

Tie your napkin 'round your neck, Cherie

And we'll provide the rest

Soup du jour, hot hors d'oeuvres

Why, we only live to serve

Try the grey stuff, it's delicious

Don't believe me, ask the dishes

They can sing, they can dance
After all, miss, this is France
And a dinner here is never second best
Go on, unfold your menu
Take a glance and then you'll
Be our guest Be our guest
Be our guest!

Beauty and the Beast

Tale as old as time, true as it can be
Barely even friends then somebody bends,
unexpectedly.

Just a little change, small to say the least
Both a little scared, neither one prepared
Beauty and the Beast

Ever just the same, Ever a surprise
Ever as before, Ever just as sure, as the sun will
rise.

Tale as old as time, tune as old as song,
Bitter-sweet and strange, finding you can
change

Learning you were wrong.

Certain as the sun, rising in the east

Tale as old as time, song as old as rhyme

Beauty and the Beast

Tale as old as time

Song as old as rhyme

Beauty and the Beast

BOSS BABY - Blackbird

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life - You were only waiting for this
moment to arise

Blackbird singing in the dead of night
Take these sunken eyes and learn to see
All your life - You were only waiting for this
moment to be free

Blackbird fly, blackbird fly - Into the light of the
dark black night

MOANA – How far I'll go

GIRL SOLOISTS: I've been staring at the edge of the water
Long as I can remember, never really knowing why
I wish I could be the perfect daughter
But I come back to the water, no matter how hard I try

Every turn I take, every trail I track
Every path I make, every road leads back
To the place I know where I cannot go
Where I long to be

**CHOIR: See the line where the sky meets the sea
It calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me
One day I'll know
If I go there's just no telling how far I'll go**

GIRL SOLOISTS: I know everybody on this island seems
so happy, on this island –
Everything is by design
I know everybody on this island has a role, on this
island - So maybe I can roll with mine
I can lead with pride, I can make us strong
I'll be satisfied if I play along
But the voice inside sings a different song - What is
wrong with me?

**CHOIR: See the light as it shines on the sea - It's blinding
But no one knows, how deep it goes
And it seems like it's calling out to me, so come find me - And
let me know
What's beyond that line, will I cross that line?**

**See the line where the sky meets the sea it calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me One day I'll
know
How far I'll go**

TROLLS - True Colours

You with the sad eyes -Don't be discouraged, oh I realize

It's hard to take courage

In a world full of people -You can lose sight of it all

The darkness inside you- Can make you feel so small

Show me a smile then -Don't be unhappy

Can't remember when I last saw you laughing

This world makes you crazy

And you've taken all you can bear

Just call me up 'Cause I will always be there

**CHORUS And I see your true colours Shining through
I see your true colours And that's why I love you
So don't be afraid to let them show
Your true colours - True colours are beautiful
I see your true colours Shining through
I see your true colours And that's why I love you
So don't be afraid to let them show
Your true colours, True colours are beautiful (they're
beautiful)
Like a rainbow
Oh oh oh oh oh like a rainbow**

TROLLS –Can't stop the feeling

I got this feeling inside my bones
It goes electric, wavey when I turn it on
All through my city, all through my home
We're flying up, no ceiling, when we in our zone

CHORUS: I got that sunshine in my pocket
Got that good soul in my feet
I feel that hot blood in my body when it drops
I can't take my eyes up off it, moving so phenomenally
Room on lock, the way we rock it, so don't stop

And under the lights when everything goes
Nowhere to hide when I'm getting you close
When we move, well, you already know
So just imagine, just imagine, just imagine

Nothing I can see but you when you dance, dance, dance
A feeling good, creeping up on you So just dance, dance, dance,
come on

All those things I shouldn't do But you dance, dance, dance
And ain't nobody leaving soon, so keep dancing

I can't stop the feeling - So just dance, dance, dance

I can't stop the feeling - So just dance, dance, dance, come on

This is Me

SOLO: I'm not a stranger to the dark
Hide away, they say 'Cause we don't want
your broken parts
I've learned to be ashamed of all my scars
Run away, they say No one will love you as
you are

CHORUS: But I won't let them break me down to dust
I know that there's a place for us
For we are glorious
When the sharpest words wanna cut me down
I'm gonna send a flood, gonna drown them out
I am brave, I am bruised, I am who I'm meant to be, this is
me
Look out 'cause here I come
And I'm marching on to the beat I drum
I'm not scared to be seen, I make no apologies, this is me

SOLOIST: Another round of bullets hits
my skin

Well, fire away 'cause today, I won't let
the shame sink in

We are bursting through the
barricades

And reach above the sun (we are
warriors)

Yeah, that's what we'll become

CHORUS: Won't let them break me down to dust
I know that there's a place for us
For we are glorious
When the sharpest words wanna cut me down
Gonna send a flood, gonna drown them out
I am brave, I am bruised, I am who I'm meant to be,
this is me
Look out 'cause here I come
And I'm marching on to the beat I drum
I'm not scared to be seen, I make no apologies, this
is me...This is me

SOLOISTS: And I know that I deserve your love
There's nothing I'm not worthy of
When the sharpest words wanna cut me down
I'm gonna send a flood, gonna drown them out
This is brave, this is proof
This is who I'm meant to be, this is me

Look out 'cause here I come (look out 'cause here I
come)

And I'm marching on to the beat I drum (marching
on, marching, marching on)

I'm not scared to be seen

I make no apologies, this is me

I'm gonna send a flood

Gonna drown them out (...this is me)

A million dreams

SOLOIST: I close my eyes and I can see, the world
that's waiting up for me
That I call my own
Through the dark, through the door, through
where no one's been before
But it feels like home

**CHOIR: They can say, they can say it all sounds crazy
They can say, they can say I've lost my mind
I don't care, I don't care, so call me crazy
We can live in a world that we design**

**'Cause every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me awake
I think of what the world could be, a vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make**

SOLOIST: There's a house we can build, every
room inside is filled

With things from far away, The special things I
compile

Each one there to make you smile, on a rainy
day

**CHOIR: They can say, they can say it all sounds crazy
They can say, they can say we've lost our minds
I don't care, I don't care if they call us crazy
Runaway to a world that we design**

**'Cause every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me awake
I think of what the world could be a vision of the one I see
A million dreams is all its gonna take
A million dreams for the world we're gonna make
(Repeat from 'Cause every night...)**

SOLOISTS: However big, however small, let me be part of it all

Share your dreams with me

You may be right, you may be wrong but say that you're bring me along

To the world you see, to the world I close my eyes to see, I close my eyes to see

**CHOIR: Every night I lie in bed the brightest colours
fill my head**

**A million dreams are keeping me awake - A million
dreams, a million dreams**

**I think of what the world could be, a vision of the one
I see**

**A million dreams is all its gonna take A million
dreams for the world we're gonna make**

For the world we're gonna make

Keep the home Fires Burning (1914)

Keep the Home Fires Burning,
While your hearts are yearning.

Though your lads are far away

They dream of home.

There's a silver lining

Through the dark clouds shining,

Turn the dark cloud inside out

Till the boys come home.

It's a long way to Tipperary (1912)

It's a long way to Tipperary (1912)

It's a long way to Tipperary

It's a long way to go

It's a long way to Tipperary

To the sweetest girl I know

Goodbye, Piccadilly

Farewell, Leicester Square!

It's a long, long way to Tipperary

But my heart's right there

Pack up your troubles (1915)

Pack up your troubles (1915)

Pack up your troubles in your old kit-bag,

And smile, smile, smile,

While you've a lucifer to light your fag,

Smile, boys, that's the style.

What's the use of worrying?

It never was worthwhile, so

Pack up your troubles in your old kit-bag,

And smile, smile, smile.
