

Singing Assembly songs

Hello all,

I don't know about you, but I'm really missing getting together with you all on a Thursday and hearing some fantastic singing from all of you. So I figured, why not let you have a go at a 'singing assembly' in your homes! Below, I'll add some links to some of the songs we cover most of the time in singing assembly and it should take you to the videos that we use too. There may even be one or two new songs for you to try and learn as a challenge for when things return to normal and we see you all back in school again.

Please make sure there is an adult there when you use your tech it as it will be using YouTube and although the links we send here will be safe and secure for you to use, any adverts/linked videos may not be – so stay safe and enjoy!

I look forward to seeing you all soon, and happy singing!
