Dear Parents,

We hope you have a lovely Easter and look forward to welcoming you all back at the start of Term 5. The children have worked very hard this term and we are all very impressed with the quality of their work which continues to improve. This term, we begin a new History topic – Victorian Britain. This will cover subjects such as engineering, life as a child of that era, and a new trip in Term 6! Please feel free to contribute any expertise you may have in this area! We will supply you with more details shortly, in the meantime have a restful break and thank you for your continued support. *Year 5 Team*
