Our School Milk Scheme – Junior Schools

Dear Parent or Guardian,

School Milk Services Ltd has been working in partnership with your Local Education Authority since 2001 to deliver fresh milk to schools across the South West.

We offer a milk service at your school for children over the age of 5. Each child that is registered will receive a 189ml portion of semi-skimmed milk at the morning break period. The cost of this service is less than £2 per week* and you can pay in either one, two or four instalments across the school year.

Registering

You can register your child by visiting our website at www.schoolmilkservices.co.uk or scanning the QR code on the right:

- Register by Thursday at 12:00 for your child's milk to start on the following Monday
- Payment will be calculated upon registering
- We send weekly class lists to your school, so if you register, your child's name will appear on the class list each Monday

If you have any questions regarding the milk service, please contact us via email at: sales@schoolmilkservices.co.uk or telephone at 01934 510950.

**subject to change*

Kind regards,

School Milk Services Ltd
