## Learning Expedition New Beginnings

Welcome to Year 4! We hope you had a restful summer break and we are looking forward to a wonderful year of learning.

As usual at the start of any year, there will be a lot of new information being given. Please continue to check for any updates or other information regularly e.g. the curriculum afternoon power point as these will usually be posted on the school website or emailed via parent mail.

Odd request, can you please keep hold of any butter tubs you may use – we will be needing them for our paper mache work this term.

We are looking forward to an exciting year ahead filled with new learning and discoveries.

Year 4 Team.
